The sun is shining, the grass is green, the orange and palm trees sway.
There's never been such a day in Beverly Hills, L.A.
But it's December the twenty-fourth and I am longing to be up north.

I'm dreaming of a white Christmas, just like the ones I used to know,
where the treetops glisten and children listen to hear sleigh bells in the snow

I'm dreaming of a white Christmas. With every Christmas card I write,
“May your days be merry and bright, and may all your Christmases be white”
